Resume Mattie Weijnen, Senior SAP ABAP Developer

Personal Data:

Name:	Mattie Weijnen
Residence:	Gooswijnhoek 36
	5708 LT Helmond
Telephone:	+31650656730
E-mail:	mattie@weijnen.com
Linkedin:	www.linkedin.com/in/mattieweijnen
Date of Birth:	22-Oct-1965

Profile:

I am a very well experienced SAP ABAP professional and I act at senior level. I have strong communication skills and I am a nice person to work with. My working area is not only limited to programming robust code. Responding faster, better and more effectively to customer needs and continuously improving software are my spearheads for successfully implementing SAP improvements.

I have a service-oriented outlook and in my work as ABAP developer I always focus on customer needs. I like to take on new challenges and am constantly working to broaden my horizons. I operate well in an Agile based environment, and I am perfectly capable of carrying out my tasks quickly and independently.
